INDEPENDENT AUDITOR'S REPORT

To the Audit Committee Associated Students, California State University, Bakersfield, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Associated Students, California State University, Bakersfield, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Associated Students, California State University, Bakersfield, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Associated Students, California State University, Bakersfield, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Associated Students, California State University, Bakersfield, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about Associated Students, California State University, Bakersfield, Inc.'s ability to
 continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information shown on page 13-22 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2024, on our consideration of Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 1 - Organization and Summary of Significant Accounting Policies

Nature of Activities

The Associated Students, California State University, Bakersfield, Inc. (the Organization) was formed and operates as a non-profit auxiliary organization of California State University, Bakersfield (CSU Bakersfield or the University) located in Bakersfield, California. The Organization exists as an advocate for students and provides programs which encourage leadership development, educational interests, and cultural awareness both at the University and statewide. The Organization has been in operation since 1976 and became a viable fiscal entity with the introduction of mandatory student fees by an election in 1977. The Organization's primary source of revenue is associated student body fees. Associated student body fees collected by the University and remitted to the Organization are included in revenue and support without donor restrictions in the statement of activities.

Financial Statement Presentation

The financial statements of the Organization have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which requires the Organization to report information regarding its financial position and activities according to the following net asset classifications:

- Net assets without donor restrictions Net assets that are not subject to donor-imposed restrictions and
 may be expended for any purpose in performing the primary objectives of the Organization. These net
 assets may be used at the discretion of the Organization's management and the board of directors.
- Net assets with donor restrictions Net assets subject to stipulations imposed by donors and grantors.
 Some donor restrictions are temporary in nature; those restrictions will be met by actions of the
 Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the
 donor has stipulated the funds be maintained in perpetuity. The Organization did not have any donor
 restrictions that were temporary or perpetual in nature for the years ended June 30, 2024 and 2023.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows U.S. GAAP related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of activities, when applicable. Management has determined that the Organization has no uncertain tax positions at June 30, 2024 and 2023, and therefore, no amounts have been accrued.

Accounts Receivable

Accounts receivable arise in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year-end, as well as the bad debt write-offs experienced in the past, and establish a price concession for uncollectible amounts. For the years ended June 30, 2024 and 2023, no price concession for uncollectible amounts was considered necessary.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Property and Equipment

The Organization capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of five years.

Revenue Recognition

Each matriculated student of the University was required to pay associated student body fees of \$221 per Fall and Spring semester and \$132 per Summer semester for the year ended June 30, 2024, and \$210 per Fall and Spring semester and \$126 per Summer semester for the year ended June 30, 2023. Fees are due and collectable prior to the first day of the academic semester. These payments, collected by the University then transferred to the Organization, support the Organization's program activities and are recognized by the Organization when cash receipts are received on a ratable basis over the academic semester, which is when the program services are delivered. The Organization may not receive the full amount of fees charged to students if amounts remain uncollected.

Miscellaneous revenue is primarily composed of chartered club activities. Revenue is recognized at a point in time when the transfer of the goods occurs, or the student attends the event.

Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred.

Functional Expense Allocations

The Organization's accounting system is established to record expenses by fund, department and natural expense. Expense function is determined by a combination of fund and department. With the exception of the student club fund, all other funds have expenses that are programmatic and general and administrative in nature.

Subsequent Events

The Organization has evaluated subsequent events through September 13, 2024, which is the date the financial statements were available to be issued.

Note 2 - Liquidity and Availability

The following reflects the Organization's financial assets as of the statement of financial position date, reduced by amounts not available for general of contractual obligations within one year of the statement of financial position date.

	_	2024	 2023
Cash	\$	3,370,406	\$ 3,244,625
Due from related parties	_	246,429	 164,744
Financial assets available to meet cash needs for general			
expenditures within one year	\$ _	3,616,835	\$ 3,409,369

The Organization is substantially supported by student fees collected by the California State University, Bakersfield and these fees are subsequently transferred to the Organization. The fees carry no donor restrictions, and therefore, all financial assets are available for general expenditure within one year. The Organization has no other liquid assets available from which to draw.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 3 - Concentrations of Credit Risk

The Organization maintains its cash in bank deposit accounts that are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per depositor per financial institution. The balances at times may exceed FDIC limits. The Organization manages this risk by using high-quality financial institutions.

Note 4 - Revenue Recognition

Significant Judgments

The Organization analyzes revenue recognition on a portfolio approach under ASC Topic 606 Revenue from Contracts with Customers. Significant judgment is utilized in determining the appropriate portfolios to assess for meeting the criteria to recognize revenue under ASC Topic 606. The Organization has determined that, for each distinct revenue stream identified, all contracts can be grouped into one portfolio. Based on past experience, customers within each distinct stream all behave similarly, contracts contain similar terms, and policies are the same across all contracts. The Organization does not expect that revenue earned for the portfolio is significantly different as compared to revenue that would be earned if they were to assess each contract separately.

Significant judgment is also required to assess collectability. The Organization assesses collectability each reporting period to monitor that the collectability threshold is met and does not recognize revenue if collection is not probable. Impairment losses are recognized when there are significant changes in a customer's assessed collectability.

Note 5 - University Contract Services

For the years ended June 30, 2024 and 2023, contributed nonfinancial assets in the form of university contract services recognized within the statement of activities include:

	_	2024	2023	
University employee services:				
Programming services	\$	151,829	\$	186,827
General and administrative services		371,553		401,234
Rent of University facilities	_	29,300		29,300
Total University contract services	\$ _	552,682	\$	617,361

The Organization recognized contributed nonfinancial assets within revenue including contributed University employee services and rent of University facilities. Contributed nonfinancial assets did not have donor-imposed restrictions.

Contributed services include University employees who provide direct programming services to the Organization including planning, managing and overseeing programming events and activities. Additionally, University employees provide indirect services on behalf of the Organization including; accounting services, human resource services, facility management services, information technology services and other administrative services as appropriate. Contributed services are valued at the estimated fair value in the financial statements based on the estimated employee cost to provide programming, general and administrative services.

The Organization uses University facilities to provide programming activities and has recognized a contributed nonfinancial asset equal to the fair market value of this rent for similar facilities.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 6 - Related Party Transactions

The Organization receives associated student body fees from the University to provide benefits to the student body of the University. Other payments received from the University includes receipts for use of operating various student-led programs.

The Organization provides scholarships to students, which are recognized as payments to the University. The Organization also reimburses the University for costs incurred to carry out the mission of the Intercollegiate Athletic program and student club activities.

California State University, Bakersfield Foundation (Foundation) functions to benefit the student body of the University by fundraising for University programs and activities. Payments received from the Foundation include receipts supporting the Organization's student body programs and services. Payments to the Foundation are for fundraising activities benefiting University programs and activities.

California State University, Bakersfield, Student-centered Enterprises, Inc. (Student-centered Enterprises) functions to enhance the student experience by operating various programming facilities. Payments received from Student-centered Enterprises are to support student body programs and services. Payments to Student-centered Enterprises was for the use of the Organization's programming facilities and equipment.

The reimbursement is reported in program services – student services on the statement of activities and netted against scholarships expense on the statement of functional expenses.

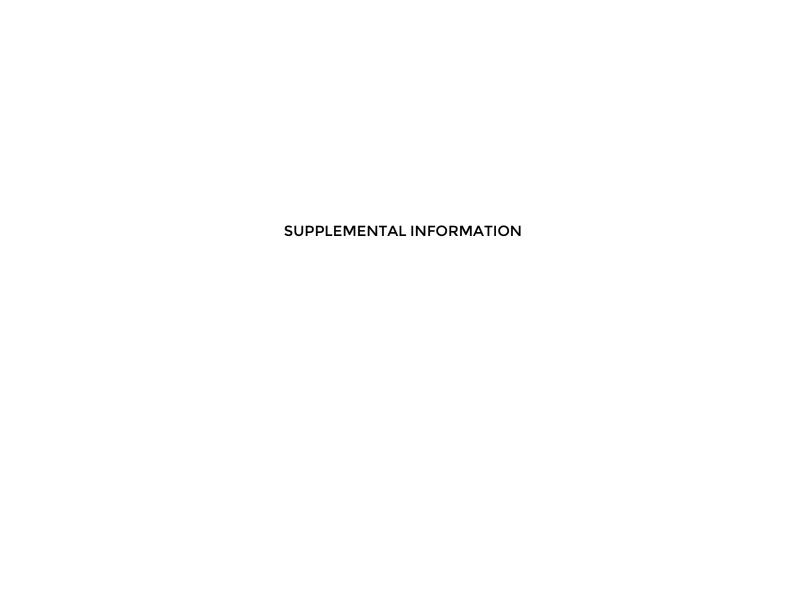

For the years ended June 30, 2024 and 2023, the Organization also recorded University contract services revenue and expense in the amount of \$552,682 and \$617,361, respectively, as noted in Note 5.

Note 7 - Contingency

From time to time, the Organization is subject to various litigation as a result of their activities. Management believes that the outcome of any such litigation will not have a material adverse effect on the Organization's financial position, changes in net assets, or liquidity.

Note 8 - Other Non-Operating Income

Student-centered Enterprises, a related party, previously managed a Children's Center on campus to provide daycare services to students attending California State University, Bakersfield. During the year ended June 30, 2023, programming activities previously covered under Student-centered Enterprises were discontinued. ASI children's center fees will be administered and managed by the Organization going forward. As a result of the change in Student-centered Enterprises operations, unspent funds of \$219,092 were transferred back to the Organization. This was recorded as other non-operating income for the year end June 30, 2023, on the statement of activities.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Audit Committee Associated Students, California State University, Bakersfield, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Associated Students, California State University, Bakersfield, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 13, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Associated Students, California State University, Bakersfield, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Associated Students, California State University, Bakersfield, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Associated Students, California State University, Bakersfield, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, CONTINUED

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
