**GUEST SPEAKER**

**David Womack,**

*Senior Vice President for Kaiser Permanente*

Mr. Womack's primary responsibilities are for the Kern County market where he ensures high-quality care for over 110,000 members. Womack has previously held CEO and COO positions in hospitals and is a former Colonel in the United States Air Force Medical Service Corps. He is a Fellow in the American College of Healthcare Executives and serves as the Board Chairman of the Kern Economic Development Corporation and of CSUB's Kegley Institute of Ethics. Womack earned a Masters of Health Administration from Baylor University and a Masters of Strategy from the USAF War College. He holds a Bachelor's degree with double majors in Business and Communications from Oral Roberts University.

In his presentation, Womack will describe where we are in American healthcare (the present), how we got here (the past) and offer thoughts about where we need to go (the future).
