CSU BAKERSFIELD

# AGRICULTURAL BUSINESS PROGRAM

## GUEST SPEAKER SERIES PRESENTS

### *Supply Chain challenges, Sustainability and IFPA's Technology Accelerator*

**ED TREACY**

*Vice President, Supply Chain  
and Sustainability - IFPA*

Over 38 years of senior management experience in logistics and supply chain management working with major Canadian retail chains, including Loblaw Companies Ltd., Shoppers Drug Mart and Sobeys Inc., as the Senior Vice President of Logistics and Engineering.

For the past 12 years, Treacy monitors and forecasts trends, designs related products, services and educational events relating to sustainability and the fresh produce and floral supply chains for IFPA members. He serves as staff lead to the industry-wide Produce Traceability Initiative and leads all data, standards and sustainability initiatives for IFPA.

Treacy is a citizen of the U.S., Canada and Ireland and has a bachelor's degree in industrial engineering from the University of Toronto, and Professional Engineer and Professional Logistician designations.

**Moderated by:**

*Cayetano S. Urias, Director of Grimm Family Center for Ag Business*

**FRIDAY, MAY 6, 2022**

**2:00 PM**
