INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
California State University, Bakersfield, Auxiliary for Sponsored Programs Administration

Report on the Financial Statements

We have audited the accompanying financial statements of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (a nonprofit organization), which comprise the statements of net position as of June 30, 2020 and 2019, and the related statements of revenues, expenses, and changes in net position and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration as of June 30, 2020 and 2019, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Emphasis of Matter

As described in Note 1 to the financial statements, on March 11, 2020 the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The ultimate financial impact and duration of these events cannot be reasonably estimated at this time. Our opinion is unmodified with respect to that matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the financial statements. The supplementary information included on pages 15-27 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 17, 2020, on our consideration of the California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Year Ended June 30, 2020

This section of the California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (Organization) annual financial report includes management's discussion and analysis of the financial performance of the Organization for the period July 1, 2019 through June 30, 2020. This discussion should be read in conjunction with the financial statements and notes.

Introduction to the Financial Statements

The Organization's financial statements include the statement of net position, the statement of revenues, expenses and changes in net position, and the statement of cash flows. These statements are supported by notes to the financial statements and management's discussion and analysis. All sections must be considered together to obtain a complete understanding of the financial picture of the Organization.

Statement of Net Position: The statement of net position includes all assets and liabilities. Assets and liabilities are reported on an accrual basis, as of the statement date. It also identifies major categories of restrictions of net position of the Organization.

Statement of Revenues, Expenses, and Changes in Net Position: The statement of revenues, expenses and changes in net position present the revenues earned and expenses incurred during the year on an accrual basis.

Statement of Cash Flows: The statement of cash flows presents the inflows and outflows of cash for the year ended June 30, 2020, and is summarized by operating, noncapital financing, capital and related financing, and investing activities. These statements are prepared using the direct method of cash flows and therefore present gross, rather than net, amounts for the year's activities.

Financial Overview

The following discussion highlights management's understanding of the key financial aspects of the Organization's financial activities, as of the period July 1, 2019 through June 30, 2020. Included, is an analysis of the current year activities and balances.

During the reporting period, the Organization generated and submitted 73 proposals requesting for approximately \$33 million, including about \$3.33 million in anticipated Facilities and Administrative (F&A) cost recovery – the major source of unrestricted revenue. Although the federal negotiated F&A rate is 47 percent of modified total direct costs, many requests for proposals offer lower rates and certain categories of expense may not be used when calculating the actual cost recovery.

Highlights of Proposed Projects

Proposal submission is the primary path to revenue for the Organization. Awards from successful proposals help fund educational, research, and service activities that benefit students, teachers, small businesses, and members of the California State University, Bakersfield (CSU Bakersfield or the University) community. The following comments are brief descriptions of a select number of proposals representative of the proposed activities and operations of the Organization. They are highlights of proposals submitted by each school with support from the Sponsored Programs Development Office in Grants, Research & Sponsored Programs (GRASP).

Academic and Administrative Departments

Administrative and academic departments submitted various proposals to support student needs, address college readiness, form partnerships with local agencies, and support research. Enrollment management proposed two projects (a \$2.35 million project and a \$2.12 million project) to the U.S. Department of Education under the High School Equivalency Program (HEP) and the College Assistance Migrant Program (CAMP). These programs are designed to increase the number of low-income students who are prepared to enter and succeed in postsecondary education. Business and Administrative Services (BAS) submitted five proposals to the San Joaquin Air District requesting a total of \$99 thousand for the purchase of alternative vehicles for use on campus. The Office of Graduate and Undergraduate Studies submitted a \$3 million proposal to the U.S. Department of Education for *Promoting Excellence in Graduate Education & Increasing Hispanic STEM-Related Degree Completion*.

Management's Discussion and Analysis

Year Ended June 30, 2020

Arts and Humanities (AH)

Faculty from the School of Arts and Humanities submitted proposals to the Mockingbird Foundation and the California Humanities, an independent nonprofit organization and a partner of the National Endowment for the Humanities. Proposal titles and the originating departments included *Arts Integration through Music* (Music), *Humanities beyond Bars: Incarceration, Visibility, and Humanization* (Philosophy and Religious Studies), and *CalHum Cares Act Funding for Todd Madigan Gallery* (Todd Madigan Gallery). These proposals requested about \$32 thousand for programmatic support. They reflect the diversity of culture within CSU Bakersfield and the community.

Business and Public Administration (BPA)

BPA grant proposals focused on economic development, entrepreneurship support, and providing research experiences to undergraduate students. A *Build to Scale Venture Challenge Grant proposal* requested \$200 thousand from the Economic Development Administration. The project seeks to address the need for minority business education, technical assistance, and support. Student and faculty engagement are strongly reflected in *BRIXCAL: Building Research and Internship Experiences for Hispanics in California's Central Valley*. The proposal requests \$250 thousand from the Department of Agriculture to engage students through research intensive experiences with external community partnerships for internships. Each proposal addresses specific needs of the region, seeking to advance educational and economic outcomes.

Natural Sciences, Mathematics, and Engineering (NSME)

NSME submitted about 41% of all proposals in the reporting period. About one third of the proposals were submitted to the National Science Foundation. Proposals included a \$1.36 million *CSUB ITEST* project and a \$2.46 million *CSUB IUSE* proposal to the Improving Undergraduate STEM Education: Hispanic-Serving Institutions Program. A \$750 thousand proposal submitted to The California Learning Laboratory seeks to bring together collaborative work from three Hispanic-serving institutions in the San Joaquin Valley representing all three segments of higher education, specifically, Bakersfield College (BC), CSU Bakersfield, and University of California, Merced (UC Merced). The project team will develop, deliver, and implement online learning interventions to further provide evidence-based practices for achieving institutional change toward online learning in their respective STEM discipline-specific courses. CSU Bakersfield and BC will focus on chemistry courses while UC Merced will focus on engineering courses. The Department of Nursing submitted *Pathway Adelante: A Model HSI Career Pathway in Health Sciences* to the U.S. Department of Education in the amount of \$3 million. The proposal will support students and establish a model career pathway in health sciences for Hispanic-serving institutions. The California Energy Research Center submitted a proposal to the California BioEnergy LLC for funds to support student research opportunities.

Other research proposals from various departments were submitted to sponsors such as the U.S. Department of Agriculture, U.S. Geological Survey, and California private and public funding agencies.

Social Sciences and Education (SSE)

Community partnerships and student workforce linkages are featured in these proposals. The Department of Social Work in collaboration with University of California, Berkeley, submitted a \$3.19 million proposal to the Title IV-E Stipend Program with the California Social Worker Education Center. The program provides professional education and monetary support to undergraduate and graduate social work students who intend to pursue or continue a career in the field of public child welfare. The Department of Psychology submitted a proposal entitled *U-RISE at California State University, Bakersfield*, requesting \$1.6 million from the National Institutes of Health. The proposal will provide aspiring young researchers from diverse backgrounds transformational experiences that will strengthen their acceptance and successful completion of Ph.D.'s in the biomedical, behavioral and clinical fields leading to a diverse pool of the nation's scientists.

Assets

Assets increased by \$867 thousand to \$4.6 million due to an increase in cash of \$560 thousand, an increase in accounts receivable of \$364 thousand, a decrease of \$75 thousand in amounts due from related parties, an increase in prepaids of \$1 thousand and an increase of \$17 thousand in capital assets.

Liabilities

Total liabilities increased by \$286 thousand to \$2.6 million due to an increase of accounts payable of \$277 thousand, an increase in due to related parties of \$85 thousand, a decrease in accrued expenses of \$141 thousand and an increase in deferred revenue of \$65 thousand.

Net Position

Total net position increased by \$581 thousand. Most of the cost recovery generated will be used to support reimbursement of expenses to the University incurred in administration services. This year, the Organization generated enough F&A cost recovery revenue to support reimbursing the University for administration services, academic release time salaries, and consulting services to better serve and guide some of the most complex grants.

Revenue

Overall revenues increased from \$8.7 to \$9.4 million. The federal grant revenue generated by the Organization increased from 62 to 91 percent. The increase in federal revenue is primarily due to the transfer of two grants from the University to the Organization: CalSWEC 2018 for \$1.2 million and GPS to Stem Degree Completion for \$1.1 million. State grant revenues decreased from 10 percent to 7 percent, local grant revenues reflected a decrease of revenue from 5 percent to 1 percent, and non-governmental revenues decreased from 10 percent to 1 percent. Other revenue decreased from 13 to 0 percent due to the transfer of the children’s center operations from the Organization to California State University, Bakersfield Student-centered Enterprises, Inc.

Expenses

Program expenses represent costs related to administering the grants awarded. These expenses can be classified into payroll and non-payroll related expenses (i.e. supplies and services, contractual services, travel, etc.). Payroll-related expenses total \$4.8 million whereas \$3.6 million relates to non-payroll grant expenses. General and administrative expenses consist of those related to reimbursements to the University for business and administrative services. General and administrative expenses decreased by \$353 thousand, from \$748 thousand to \$395 thousand. Primarily, this is due to a decrease in services from other agencies.

Factors Bearing on the Organization's Future

The Sponsored Programs Development Office in GRASP is developing strategies and refining procedures to assist faculty and staff with generation and submission of more high-quality proposals for projects to be managed in the future by the Organization.

Notes to Financial Statements

Years Ended June 30, 2020 and 2019

Note 1 – Organization and Summary of Significant Accounting Policies

Nature of Activities

California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (Organization) was incorporated in the State of California on August 28, 2009. The Organization was formed and operated solely for the benefit of California State University, Bakersfield as a non-profit auxiliary organization. The Organization is responsible for the accomplishment of certain University objectives that require financial support not provided by the State. These activities occur in all aspects of University life, including the development and administration of sponsored grants and contracts for faculty and staff research and educational projects.

Basis of Presentation

The accompanying basic financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of revenues, expenses, and changes in net position, when applicable. Management has determined that the Organization has no uncertain tax positions at June 30, 2020 and 2019 and therefore no amounts have been accrued.

Accounts Receivable

The accounts receivable arises in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts. A provision for doubtful accounts has not been established as management considers all accounts to be collectible based upon a favorable history over a substantial period of time.

Capital Assets

The Organization capitalizes all expenditures for capital assets in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 30 years.

Deferred Revenue

Deferred revenue represents grant payments received in advance of grant earnings.

Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred.

Note 1 – Organization and Summary of Significant Accounting Policies, continued

Subsequent Events

The Organization has evaluated subsequent events through September 17, 2020, which is the date the financial statements were available to be issued.

As of the date through which the Organization has evaluated events occurring subsequent to the statement of financial position of June 30, 2020, the Organization believes it understands the risk associated with COVID-19. The Organization is in the process of implementing risk mitigation tactics for the Organization as to the risk of the impact, if any, of COVID-19 related to all aspects of the Organization's business transactions with customers and vendors and human interaction within and outside of the Organization.

Note 2 – Concentration of Credit Risk

The Organization maintains its cash in bank deposit accounts that are insured by Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per depositor per financial institution. The balances at times may exceed FDIC limits. The Organization manages this risk by using high-quality financial institutions.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
California State University, Bakersfield, Auxiliary for Sponsored Programs Administration

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (a nonprofit organization), which comprise the statement of net position as of June 30, 2020, and the related statements of revenue, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 17, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control. Accordingly, we do not express an opinion on the effectiveness of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify and deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors of
California State University, Bakersfield, Auxiliary for Sponsored Programs Administration

Report on Compliance for Each Major Federal Program

We have audited California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's major federal programs for the year ended June 30, 2020. California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's compliance.

Opinion on Each Major Federal Program

In our opinion, California State University, Bakersfield, Auxiliary for Sponsored Programs Administration complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE, CONTINUED**

Report on Internal Control over Compliance

Management of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Grant Guidance. Accordingly, this report is not suitable for any other purpose.
