INDEPENDENT AUDITOR'S REPORT

To the Audit Committee California State University, Bakersfield Foundation

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of California State University, Bakersfield Foundation (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of California State University, Bakersfield Foundation as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California State University, Bakersfield Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University, Bakersfield Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT, CONTINUED

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of California State University, Bakersfield Foundation's internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University, Bakersfield Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information shown on pages 31-39 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 19, 2024, on our consideration of California State University, Bakersfield Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of California State University, Bakersfield Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California State University, Bakersfield Foundation's internal control over financial reporting and compliance.

Note 1 - Organization and Summary of Significant Accounting Policies

Nature of Activities

The California State University, Bakersfield Foundation (the Foundation), was incorporated in the State of California in 1969. The Foundation was formed and operates as a nonprofit auxiliary organization of California State University, Bakersfield (CSU Bakersfield or the University), which is located in Bakersfield, California. The Foundation supports the University by advocating on behalf of the University, fundraising for University programs and activities, and managing the finances of the Foundation and the University endowment.

New Accounting Standard

Effective July 1, 2023, the Organization adopted Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments.* This update requires the use of a forward-looking expected credit loss model for instruments within its scope, including accounts receivable, and replaces the previous incurred loss impairment model. The expected credit loss model requires management to estimate current expected credit losses over the lifetime of the assets by considering all reasonable and supportable information, including historical experience, current conditions, and reasonable and supportable forecasts affecting collectability. Management has analyzed provisions contained in Topic 326 and determined that there is no impact on net assets as of July 1, 2023, due to the adoption of the new policy.

Financial Statement Presentation

The financial statements of the Foundation have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which requires the Foundation to report information regarding its financial position and activities according to the following net asset classifications:

- Net assets without donor restrictions Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Foundation. These net assets may be used at the discretion of the Foundation's management and the board of directors.
- Net assets with donor restrictions Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Foundation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Foundation is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Foundation remains subject to taxes on any net income which is derived from a trade or business, regularly carried on, and unrelated to its exempt purpose. The Foundation is not a private foundation.

The Foundation follows U.S. GAAP related to the recognition of uncertain tax positions. The Foundation recognizes accrued interest and penalties associated with uncertain tax positions as part of the statements of activities, when applicable. Management has determined that the Foundation has no uncertain tax positions at June 30, 2024 and 2023, and therefore, no amounts have been accrued.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Promises to Give

Promises that are expected to be collected within one year are recorded at their net realizable value. Promises that are expected to be collected in future years are discounted to their estimated net present value. After promises are originally recorded, an allowance for uncollectible promises may be established based on specific circumstances.

Accounts Receivable

Accounts receivable arise in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year-end, as well as the bad debt write-offs experienced in the past, and establish an allowance for credit losses. For the years ended June 30, 2024 and 2023, the allowance for credit losses was \$8,425 and \$0, respectively.

Investments

The Foundation carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. The fair value is determined using quoted market prices. Alternative investments, for which quoted market prices are not readily available, are valued at fair value by the investment manager based on factors deemed relevant by the manager including, but not limited to, market conditions, purchase price, estimated liquidation value, restrictions on transfer and meaningful third party transactions in the private market. Because of the inherent uncertainty of valuations, the estimated fair values may differ significantly from the values that would have been used had a ready market for such investments existed or had such investments been liquidated, and those differences could be material. Purchases and sales of securities are recorded on the basis at which traded on that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses are included in the change in net assets in the statements of activities.

Property and Equipment

The Foundation capitalizes all expenditures for property and equipment in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift, if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the asset of three to 30 years.

Collections

The Foundation capitalizes its collections at cost, if purchased, and at appraised or fair value at the date of accession, if donated. There were no acquisitions for the years ended June 30, 2024 and 2023. Capitalized collections are not depreciated. The University Policy on the Collection and Installation of Art requires funds realized from deaccession sales be used to benefit the University art collection. In the event that the Foundation disposed of collection items, proceeds could be used for the acquisition of new collection items or direct care of existing collections. Direct care of existing collections includes, but is not limited to, costs that enhance the life, usefulness, or quality of the collection.

Life Insurance Policies

From time to time, the Foundation receives life insurance policies as gifts. These policies are irrevocable, and the Foundation is the sole beneficiary. These policies are valued at their cash surrender value discounted for life expectancy.

Revenue Recognition

Contributions – Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Revenue Recognition, continued

Contributions, continued – Investment income that is limited to specific uses by donor restrictions is reported as increases in net assets without donor restrictions if the restrictions are met in the same reporting period as the income is recognized.

Contributed Nonfinancial Assets – Contributions of services and tangible assets are recognized at fair market value when received. Contributed nonfinancial assets are recognized as net assets without donor restrictions unless donor stipulation requires them to be recognized as net assets with donor restrictions.

Other Revenue – Other revenue is primarily composed of sponsorships, athletics game guarantees, ticket sales, and administrative fees. Sponsorships, athletic game guarantees, and ticket sales are recognized at a point in time when performance obligations are satisfied. Administrative fees are recognized when payments on contributions are received.

Functional Allocation of Expenses

The Foundation's accounting system is established to record expenses by fund, department and natural expense. Expense function is determined by either fund alone or by a combination of fund and department. Some funds are used to accumulate expenses considered to be either general and administrative or fundraising in nature. Within those funds, the department determines whether the expense is general and administrative or fundraising in nature. The remaining funds accumulate expenses considered to be programmatic in nature. Certain costs initially captured within the program funds, such as fundraising event expenses and bad debt, are presented as general and administrative and fundraising costs instead of program costs.

Advertisina

The Foundation follows the policy of charging the costs of advertising to expenses as incurred.

Fair Value Measurements

The Foundation defines fair value as the exchange price that would be received for an asset or paid for a liability in the principal or most advantageous market. The Foundation applies fair value measurements to assets and liabilities that are required to be recorded at fair value under U.S. GAAP. Fair value measurement techniques maximize the use of observable inputs and minimize the use of unobservable inputs, and are categorized in a fair value hierarchy based on the transparency of inputs.

The three levels are defined as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the same term of the financial instrument.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Certain financial instruments may be valued using net asset value (NAV) per share. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, divided by the number of shares outstanding or percentage ownership.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 1 - Organization and Summary of Significant Accounting Policies, continued

Fair Value Measurements, continued

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Corporate bonds and government securities – Valued using pricing models maximizing the use of observable inputs for similar securities.

Mutual funds, common stock, and exchange traded funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Hedge funds – Valued at the partner's reported capital account balance, which approximates fair value.

Private equity and private real estate – Valued at net asset value per share.

Subsequent Events

The Foundation has evaluated subsequent events through September 19, 2024, which is the date the financial statements were available to be issued and has determined that there were no subsequent events to recognize in these financial statements.

Note 2 - Liquidity and Availability

The following reflects the Foundation's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual obligations within one year of the statement of financial position date.

	_	2024	_	2023
Cash and cash equivalents	\$	16,893,869	\$	14,693,436
Promises to give, net		3,224,669		5,569,080
Due from related parties		15,862		516,890
Accounts receivable, net		1,430		3,171
Other current assets		3,503		2,631
Investments		42,008,842		35,960,422
Anticipated distributions from endowments	_	1,448,504	_	1,334,615
Total financial assets	_	63,596,679	_	58,080,245
Less amounts not available to be used within one year:				
Restricted by donor with time or purpose restrictions		(57,651,224)		(52,998,424)
Board designations: quasi-endowment fund,				
primarily for long-term investing	_	(4,965,707)	_	(4,327,923)
Financial assets available to meet cash needs for general				
expenditures within one year	\$ _	979,748	\$	753,898

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 2 - Liquidity and Availability, continued

The Foundation is substantially supported by donor-restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Foundation must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. At June 30, 2024, the Foundation had a quasi-endowment of \$4,965,707, of which \$2,341,741 was designated for general operations. At June 30, 2023, the Foundation had a quasi-endowment of \$4,327,923, of which \$2,114,800 was designated for general operations. Although the Foundation does not intend to spend from its quasi-endowment other than amounts appropriated for general expenditure as part of its annual appropriation process, amounts from its quasi-endowment could be made available, if necessary, by an action voted on by the board of directors.

Note 3 - Concentrations of Credit Risk

The Foundation maintains its cash in bank deposit accounts that are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per depositor. The balances at times may exceed FDIC limits. The Foundation manages this risk by using high-quality financial institutions.

The Foundation invests in various types of money market funds, corporate bonds, and mutual funds. The Foundation has established guidelines relative to diversification and maturities that target certain safety and liquidity risk levels. These guidelines are periodically reviewed and modified.

The Foundation also invests in various investment securities. Investment securities, in general, are subject to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that the changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Three donors comprised 41% of promises to give at June 30, 2024 and 2023, respectively. Two donors comprised 59% and three donors comprised 60% of contributions for the years ended June 30, 2024 and 2023, respectively.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 4 - Investments and Fair Value Measurement

Investments consist of the following as of June 30, 2024:

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 4 - Investments and Fair Value Measurement, continued

- [a] Ironwood Inst MS Hedge Fund is a fund of hedge funds which are relative value and event driven, equity market neutral, distressed securities and credit opportunities.
- [b] Hamilton Lane PMOF I is a diversified private equity fund of funds. Liquidity occurs as underlying private equity investments are sold.
- [c] Blackstone BREIT is a 1933 Act non-traded perpetual life real estate investment trust (REIT). The fund focuses on investing in stabilized, income-generating commercial real estate in the U.S. and is diversified across property types.
- [d] Coatue Offshore Fund, Ltd. is a long/short hedge fund, focused on the technology, media and telecommunications sectors.
- [e] Starboard Value and Opportunity Fund Ltd. is an event-driven hedge fund that seeks to invest in undervalued companies and actively engage with management teams and boards of directors to identify and execute on opportunities to unlock value.
- [f] Schonfeld Fundamental Equity Fund is a multi-manager platform equity market neutral hedge fund that invests with the majority of Schonfeld Strategic Advisors LLC's fundamental discretionary PMs and a subset of its tactical strategy managers.
- [g] SEG Partners Offshore, Ltd. is a U.S.-focused long/short equity hedge fund that utilizes a bottom-up research approach to invest in companies across sectors and market capitalizations.
- [h] HarbourVest Co-Investment VI LP is a global private equity fund of direct co-investments primarily in the buyout and growth equity spaces.
- [i] Bridge Workforce & Affordable Housing Fund II LP is a value-add private real estate fund that focuses on the multi-family sector. Their investments seek to preserve, rehabilitate and develop workforce and affordable housing assets in high-growth U.S. markets.
- [j] PE Premier Lexington CP X Offshore LP will seek to construct a globally diversified portfolio of secondary interest in established private investment funds across buyout, growth, and venture capital strategies at attractive discounts to market value while preserving capital and generating early and frequent cash distributions.
- [k] Coller International Partners IX F, L.P. seeks to execute on secondary transaction from across the secondary market, ranging from diversified LP-led transactions to complex direct and GP-led transactions.
- [I] Apollo Debt Solutions BDC is a perpetual Non-Traded Business Development Company ("BDC"), whose securities are registered under the Securities Exchange Act of 1933 and elects to be regulated as a BDC under the Investment Company Act of 1940. The fund seeks to generate current income and, to a lesser extent, long-term capital appreciation by investing primarily in private loans and securities, mainly to large cap, private U.S. companies, and to a lesser extent, middle market U.S. and international companies.
- [m] KKR Infrastructure Conglomerate LLC is a continuously offered U.S. Operating Company that seeks to acquire, own and control infrastructure assets through joint ventures across different infrastructure sectors in North America, Western Europe and Asia Pacific.

Less accumulated depreciation	_	(1,862,847)		(1,857,281)
		25,155		31,907
Land	_	3,139		3,139
	\$ _	28,294	\$	35,046

Note 7 - Defined Benefit Pension Plan

In previous years, the Foundation contributed to the Public Employees' Retirement System of the State of California (CalPERS), an agent multiple-employer public employee retirement system that acts as a common investment and administrative agent for participating public agencies in California. During the years ended June 30, 2024 and 2023, the benefit obligation contribution was made by CSU Bakersfield.

Note 8 - Post-Employment Benefits Other Than Pensions

The Foundation no longer has direct employees that qualify for postretirement health care benefits through CalPERS and instead utilizes services from the University to fulfill its needs. However, these benefits are provided to previous direct employees of the Foundation who retired prior to this operational change. Continued participation in the existing health and dental plans is offered. Once the individual is eligible for Medicare, coverage may be continued in the CalPERS health plan by enrolling in a supplement to Medicare or a Managed Medicare Plan. The following information is based on actuarial studies performed as of June 30, 2024 and 2023:

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 8 - Post-Employment Benefits Other Than Pensions, continued

Net periodic postretirement benefit cost included the following components:

	_	2024		2023		
Service cost	\$	-	\$	-		
Interest cost		36,544		33,128		
Amortization net gain	_	(108,336)	,	(117,667)		
Net periodic postretirement benefit cost	\$ =	(71,792)	\$	(84,539)		
The net periodic postretirement benefit cost was determined using the following weighted average assumptions:						
		2024		2023		

	_	2024	_	2023
Discount rate		4.75%		4.50%
Expected long-term rate of return		N/A		N/A
Health care cost trend rate:				
Present rate before 65		6.50%		6.75%
Present rate 65 and older		6.50%		6.75%
Ultimate rate before age 65 (year reached)		5.00%		5.00%
Ultimate rate age 65 and older (year reached)		5.00%		5.00%
Accumulated postretirement and projected benefit obligation:				
	_	2024	_	2023
Retirees	\$	778,666	\$ =	803,395
Funded status:				
	_	2024	_	2023
Beginning accrued postretirement benefit obligation	\$	803,395	\$	765,534
Actuarial loss		114,781		182,996
Retiree contributions:				
Net periodic postretirement cost		(71,792)		(84,539)
Estimated benefit payments	_	(67,718)	_	(60,596)
Ending accrued postretirement benefit obligation	\$	778,666	\$ _	803,395

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 8 - Post-Employment Benefits Other Than Pensions, continued

The projected accrued postretirement benefit obligation was determined using the following weighted average assumptions:

	2024	2023
Discount rate	5.25%	4.75%
Health care cost trend rate:		
Present rate before 65	8.00%	6.50%
Present rate 65 and older	6.50%	5.00%
Ultimate rate before age 65 (year reached)	4.50%	5.00%
Ultimate rate age 65 and older (year reached)	4.50%	5.00%
The expected net periodic postretirement benefit cost for fiscal year	r ending June 30, 2025:	
Service cost	\$	-
Interest cost		39,196
Amortization of unrecognized net gain		(105,150)
Net periodic postretirement benefit costs	\$	(65,954)
The expected contribution for the next 10 years:		
2025	\$	64,966
2026		66,886

Years Ended June 30, 2024 and 2023

Note 9 - Net Assets

Net assets without donor restrictions includes operating net asset deficits due to postretirement benefit liabilities.

Net assets with donor restrictions consist of the following:

	_	2024	 2023
Purpose restrictions:			
Promises to give:			
Academic programs	\$	1,515,622	\$ 2,731,271
Scholarships		320,090	661,632
Athletic programs		122,800	148,729
Academic programs		14,961,692	13,140,442
Athletic programs		1,692,813	1,615,379
Scholarships	_	1,268,685	 1,866,640
		19,881,702	20,164,093
Endowments:			
Promises to give:			
Academic programs		892,682	1,730,451
Athletic programs		204,478	201,478
Scholarships		168,997	95,519
Academic programs		19,381,979	15,248,410
Scholarships		16,362,596	14,852,975
Athletic programs	_	758,790	 705,498
	_	37,769,522	 32,834,331
	\$ =	57,651,224	\$ 52,998,424

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows:

	_	2024		2023
Satisfaction of time and purpose restrictions:				
Scholarships	\$	1,798,946	\$	1,426,212

		4,309,387		5,775,634
Satisfaction of time restrictions:				
General use		-	_	7,560
	\$ _	4,309,387	\$	5,783,194

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 10 - Endowments

The Foundation has adopted the guidance on net classification of donor restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) and also requires disclosures about endowment funds, both donor-restricted endowment funds and board-designated endowment funds.

The Foundation's endowments consist of funds established for a variety of purposes. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Foundation has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity is subject to appropriation for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the donor-restricted endowment fund
- 2) The purposes of the Foundation and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation or deflation
- 5) The expected total return from income and the appreciation of investment assets
- 6) Other resources of the Foundation
- 7) The investment policy statement of the Foundation

Spending policy: The Foundation's spending policy allocates total earnings from the portfolio between current spending and reinvestment for future earnings and has been designed with three objectives in mind: (a) provide current programs with a predictable, stable stream of revenues; (b) ensure that the purchasing power of real value of this revenue stream does not decline over time; and (c) ensure that the purchasing power or real value of the endowment assets does not decline over time. The cost of current operating programs will likely increase over time at least as fast as inflation.

If the endowment is to cover a reasonably constant portion of current operating expenses, endowment spending must increase at least as fast as inflation. The Foundation's policy is designed to preserve both the purchasing power of their endowments and of their endowment withdrawals. Such a policy also ensures that the competing needs of current and future generations of students and faculty are in financial equilibrium. Lastly, the Foundation has adopted an annual spend amount equal to 4.00% based upon the spend formula, in addition to the Foundation's 1.00% investment management fee. The spend formula is computed based on the historical three year rolling-average of the endowment's fiscal year-end market value, one year before the fiscal year in which the spend is available commencing July 1.

Investment policy: The objective is to promote growth in the investment funds sufficient to offset normal inflation plus reasonable spending, thereby preserving the constant-dollar value and purchasing power of the funds for future generations, and to preserve the principal of operating cash and reserves while producing market-level income. The total annualized rate of return objective for the full portfolio shall be, net of all investment asset expenses, 5.00% greater than the rate of inflation, as measured by the Consumer Price Index.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 10 - Endowments, continued

The endowment net assets composition by type of fund consisted of the following as of June 30, 2024:

	Without Donor Restrictions		With Donor Restrictions	. -	Total
\$	4,965,707	\$	-	\$	4,965,707
	-		30,785,276		30,785,276
	_		6,984,246		6,984,246
\$	4,965,707	\$.	37,769,522	\$ _	42,735,229
cor	nsisted of the fol	lowi	ng as of June 3	0, 20	023:
	\$	Restrictions \$ 4,965,707	Restrictions \$ 4,965,707 \$	Restrictions Restrictions \$ 4,965,707 \$ - - 30,785,276 - 6,984,246 \$ 4,965,707 \$ 37,769,522	Restrictions Restrictions \$ 4,965,707 \$ - \$ - 30,785,276 - 6,984,246

	Without Donor Restrictions	 With Donor Restrictions	. ,	Total
Board designated endowment funds	\$ 4,327,923	\$ -	\$	4,327,923
Donor designated funds: Original donor-restricted gift amount required to be				
maintained in perpetuity by donor	-	27,937,405		27,937,405
Accumulated investment gains	-	 4,896,926		4,896,926
	\$ 4,327,923	\$ 32,834,331	\$	37,162,254

The changes in endowment net assets for the year ended June 30, 2024, consisted of the following:

	-	Without Donor Restrictions	_	With Donor Restrictions	_	Total
Endowment net assets, beginning of year	\$	4,327,923	\$	32,834,331	\$	37,162,254
Contributions		-		2,847,871		2,847,871
Appropriated expenditures		(80,409)		(1,434,181)		(1,514,590)
Investment return, net	_	718,193	_	3,521,501	_	4,239,694
Endowment net assets, end of year	\$_	4,965,707	\$_	37,769,522	\$_	42,735,229

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 10 - Endowments, continued

The changes in endowment net assets for the year ended June 30, 2023, consisted of the following:

	\ 	Without Donor Restrictions	_	With Donor Restrictions		Total
Endowment net assets, beginning of year	\$	4,076,274	\$	31,020,465	\$	35,096,739
Contributions		-		1,056,492		1,056,492
Appropriated expenditures		(142,825)		(1,374,155)		(1,516,980)
Investment return, net		394,474	_	2,131,529	_	2,526,003
Endowment net assets, end of year	\$_	4,327,923	\$_	32,834,331	\$_	37,162,254

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. These deficiencies result from unfavorable market fluctuations. Deficiencies of this nature exist in one donor designated endowment fund, which has an original gift value of \$160,550, a current fair value of \$150,246, and a deficiency of \$10,304 as of June 30, 2024. Deficiencies of this nature exist in four donor designated endowment funds, which together have an original gift value of \$1,070,585, a current fair value of \$1,040,422, and a deficiency of \$30,163 as of June 30, 2023.

The Foundation has interpreted UPMIFA to permit spending from underwater donor-restricted endowment funds in accordance with prudent measures required under law. The governing board appropriated for expenditure \$5,587 and \$27,308 from underwater endowment funds during the years ended June 30, 2024 and 2023, respectively.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 11 - Contributed Nonfinancial Assets

For the years ended June 30, 2024 and 2023, contributed nonfinancial assets recognized within the statements of activities include:

	_	2024	_	2023
University contract services:				
University employee services:				
Fundraising services	\$	1,149,247	\$	1,990,405
General and administrative services		1,052,829		1,085,879
Alumni		107,789		-
Rent of University facilities:				
Fundraising services		30,990		62,308
General and administrative services		28,390		33,992
Alumni	_	2,906		-
		2,372,151		3,172,584
Other supplies and services:				
Services		30,000		46,905
Auction items		20,595		5,860
Supplies		5,920		31,312
Gift cards		200		1,391
Food and beverage	_	-		33,750
	_	56,715		119,218
Total contributed nonfinancial assets	\$ _	2,428,866	\$	3,291,802

The Foundation recognized contributed nonfinancial assets within revenue, including University contract services for employee services and facility rental that the University provides to support the operations of the Foundation. Contributed nonfinancial assets also include contributions for services, auction items, supplies, gift cards, and food and beverage. Unless otherwise noted, contributed nonfinancial assets did not have donor-imposed restrictions.

University contract services include facilities and University employees who provide direct supporting services for the Foundation. University employees provide services such as fundraising, accounting, and general and administrative services as appropriate. These services are valued at the estimated fair value in the financial statements based on the estimated employee cost incurred to provide those services. The Foundation uses University facilities to provide space for the University employees who provide direct supporting services on behalf of the Foundation. The Foundation has recognized a contributed nonfinancial asset equal to the fair market value of this rent for similar facilities.

During the year ended June 30, 2024, the University contract service methodology and factors determining whether an employees' service provided a direct benefit to advancement/fundraising efforts was re-evaluated. As part of the re-evaluation, it was determined that certain employees' service was not directly related to advancement/fundraising efforts and therefore has been excluded. The change in University contract services as of June 30, 2024 compared to June 30, 2023 is a result of a change in accounting estimate based on the new methodology and factors.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 11 - Contributed Nonfinancial Assets, continued

Contributed nonfinancial assets identified as other supplies and services contributions were utilized by the Athletics, Academic Support, Alumni, and Student Affairs programs. In valuing auction items, supplies, gift cards, and food and beverage, the Foundation estimated fair value on the basis of comparable sales prices.

Contributed nonfinancial assets also include contributions related to medic standby services from an ambulance company utilized by the Athletics program and consulting services utilized by the Academic Support program. These services are valued and reported at the estimated fair value based on current rates for similar professional services.

Note 12 - Transactions with Related Parties

The Foundation functions to benefit the University by fundraising and supporting University programs and activities. Payments received from the University are for refunds of capital project funding, reimbursement of costs related to historical fund balances, and transfer of funds when receipts are received by the University on behalf of the Foundation, or an expense is incurred by the Foundation on behalf of the University. The Foundation provides scholarships to students and funding for capital projects, which are recognized as payments to the University. Additionally, the Foundation reimburses the University for various administrative services incurred to carry out the mission of the Foundation.

California State University, Bakersfield Auxiliary for Sponsored Programs Administration (Sponsored Programs Administration) functions to benefit the student body of the University by operating various grant and research programs. Payments received from Sponsored Programs Administration include reimbursement for cost incurred through a historical grant fund that were cleared by Sponsored Programs Administration as well as reimbursement to Foundation for expenses paid on behalf of Sponsored Programs Administration. Payments to Sponsored Programs Administration are for the reimbursement of expenses incurred by Sponsored Programs Administration on behalf of the Foundation.

Associated Students, California State University, Bakersfield, Inc. (Associated Students) functions to benefit the student body of the University by operating various student-led programs. Payments received from Associated Students are for fundraising activities benefiting University programs and activities. Payments to Associated Students include reimbursement for scholarship payments and support for Associated Students programs and services.

California State University, Bakersfield Student-centered Enterprises, Inc. (Student-centered Enterprises) functions to benefit the student body of the University by operating various student enterprise programs. Payments received from Student-centered Enterprises are for fundraising activities benefiting University programs and activities. Payments to Student-centered Enterprises are for the use of Student-centered Enterprises programing facilities and equipment, as well as the general support of Student-centered Enterprises programming activities.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 12 - Transactions with Related Parties, continued

Transfers with related parties for the years ended June 30, 2024 and 2023, are reflected in the accompanying financial statements as follows:

	2024		
Transfers from: University \$	4,839	\$	209,739
Transfers to:		•	
University \$ Sponsored Programs Administration	266,759 2,500	\$	2,021,853
Associated Students	5,700		909
\$	274,959	\$	2,022,762

Additionally, for the year ended June 30, 2023, the Foundation recorded \$1,281,538 in transfers from the University and Sponsored Programs Administration as non-operating revenues on the statements of activities. These transfers relate to reimbursement of costs for historical fund balances.

Total payments to and from related parties for the years ended June 30, 2024 and 2023 are reflected in the schedule below. The above transfers with related parties are included in the following schedule unless the activity is a result of a non-exchange capital asset transfer.

	2024		2023
Payments from:			
University \$	105,613	\$	1,286,067
Sponsored Programs Administration	53,124		374,633
Associated Students	1,595		395
Student-centered Enterprises	7,006		3,842
\$	167,338	\$ =	1,664,937
Payments to:			
University \$	2,706,381	\$	3,811,153
Sponsored Programs Administration	7,032		905
Associated Students	369,161		404,960
Student-centered Enterprises	15,739		5,676
\$	3,098,313	\$_	4,222,694

For the years ended June 30, 2024 and 2023, the Foundation also recorded University contract services revenue and expense in the amount of \$2,372,151 and \$3,172,584, respectively, as noted in Note 11.

Notes to Financial Statements

Years Ended June 30, 2024 and 2023

Note 12 - Transactions with Related Parties, continued

Amounts reported in the statements of financial position at June 30, 2024 and 2023 as due from and due to related parties include the following:

	2024		2023
Due from related parties:			
University \$	14,916	\$	159,346
Sponsored Programs Administration	946		357,464
Associated Students		_	80
\$	15,862	\$	516,890
Due to related parties:			
University \$	256,696	\$	135,459
Sponsored Programs Administration	350		-
Associated Students	-		17,028
Student-centered Enterprises	8,502		1,230
\$	265,548	\$_	153,717

Note 13 - Conditional Contributions

Conditional contributions consisted of the following at June 30, 2024 and 2023:

		2024	2023	
Student scholarships	\$		\$	1,270,000
Other programs		796,305		104,860
	\$:	796,305	\$ =	1,374,860

Conditional contributions received for student scholarships are conditional on successful annual review. Conditional contributions received for other programs are conditional on the substantial completion of various program objectives.

A conditional contribution does not meet the standard for revenue recognition. As such, collectively, the \$796,305 and \$1,374,860 conditional portions of contributions have not been recognized in the statements of activities for the years ended June 30, 2024 and 2023, respectively.

As of June 30, 2024 and 2023, \$5,600 and \$75,880, respectively, of conditional contributions have been collected in advance, and are reported as revenue collected in advance on the statements of financial position. The Foundation expects all conditions to be met within the next fiscal year.

The Foundation receives bequests, intentions, and other types of planned gift communications from donors which are conditional due to dependence upon a future event. Neither the timing nor the amount of the promise is clearly determinable. These gifts are not recognized as contributions until they become unconditional promises to give, as present value cannot be determined.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Audit Committee California State University, Bakersfield Foundation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California State University, Bakersfield Foundation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 19, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered California State University, Bakersfield Foundation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of California State University, Bakersfield Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of California State University, Bakersfield Foundation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether California State University, Bakersfield Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS, CONTINUED

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of California State University, Bakersfield Foundation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California State University, Bakersfield Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
