Funding Opportunity:

Global Philanthropy Fellowship

FON:

Agency:

Foundation

Item:

Notice seeking applications that supports one researcher in residence to work alongside the [Global Philanthropy Indices](#) and [Giving USA](#) research teams. The fellowship offers a unique platform for scholars to engage with the school's research teams and conduct comparative and cross-national research on philanthropy and civil society. The fellow will contribute to building the global field of philanthropy research, provide added value to ongoing school research products, and enhance the impact of their research within their home communities and worldwide.

Action:

Applications are due April 30, 2025. The fellowship provides a \$50,000 stipend to help cover travel costs to and from Indianapolis, cost of living expenses, and the required health insurance through Indiana University. Applicants should hold at least a master's degree.

Funding Opportunity:

NIJ FY25 Graduate Research Fellowship

FON:

O-NIJ-2025-172312

Agency:

Justice

Item:

Notice seeking proposals to support doctoral students whose dissertation research is relevant to preventing and controlling crime, advancing knowledge of victimization and effective victim services, or ensuring the fair and impartial administration of criminal or juvenile justice in the United States. This furthers the DOJ mission by increasing the pool of researchers who are engaged in providing science-based solutions to problems relevant to criminal and juvenile justice policy and practice in the United States.

Action:

Applications are due April 15, 2025 to Grants.gov. An estimated \$2 million is available to fund 20 awards.

NIJ FY25 Research on the Abuse, Neglect, and Financial Exploitation of Older Adults

FON:

O-NIJ-2025-172306

Agency:

Justice

Item:

Notice seeking proposals for rigorous research and evaluation projects in four topical areas: (1) evaluation of programs that seek to prevent, intervene in, or respond to the abuse, neglect, and financial exploitation of older adults; (2) research on financial fraud against older adults, including knowledge building around scam prevention messaging; (3) research on formal and informal caregivers who abuse (either financially, physically, sexually, and/or emotionally) or neglect older adults, to inform

intervention and prevention program development; and (4) forensic research involving the development of radiographic evidence and bioinformatic approaches relevant to the physical abuse of older adults.

Action:

Proposals are due March 24, 2025 for Grants.gov and April 7, 2025 for JustGrants. An estimated \$1.6 million is available to fund multiple awards.

Centers on the Demography and Economics of Aging, Including Alzheimer's Disease and Alzheimer's Disease-Related Dementias

FON:

RFA-AG-25-007

Agency:

U.S. Department of Health and Human Services, National Institutes of Health

Item:

Notice seeking proposals to develop or renew a Research and Development Center to advance aging research in demography, economics, and related interdisciplinary population-based social science areas, including those with a focus on Alzheimer's disease and Alzheimer's disease-related dementias (AD/ADRD). The objectives of the Demography and Economics of Aging program are to: 1) seed new and innovative lines of aging research in demography, economics, and related interdisciplinary population-based social science areas. 2) integrate approaches that address the disproportionate distribution of health within and/or across populations, and 3) incorporate strategies that will identify and engage scholars across disciplines, career stages, and institutions.

Action:

Proposals are due November 1, 2024. An estimated \$11.25 Million is available to fund up to 16 awards.

Presidential Advisory Commission on Advancing Educational Equity, Excellence, and Economic Opportunity for Black Americans

FON:

Agency:

Education

Item:

Notice seeking participants in an open meeting. The agenda includes remarks from Congressional representatives, advisory committee leaders, department of education leaders, a student, and subject matter experts. The committee generally advises on: what is needed for the development, implementation, and coordination of educational programs and initiatives at the Department and other agencies to improve educational opportunities and outcomes for Black Americans; how to promote career pathways for in-demand jobs for Black students, including registered apprenticeships, internships, fellowships, mentorships, and work-based learning initiatives; how to increase public awareness of and generate solutions for the educational and training challenges and equity disparities that Black Americans face and the causes of these challenges; and approaches to establish local and national partnerships with public, private, philanthropic, and nonprofit stakeholders.

Action:

The meeting will be held on September 10, 2024. Registration is required.
