# EARTHQUAKE AWARENESS

Be prepared. Be Safe. **Be Roadrunner Ready!**

PROTECT YOURSELF - ANYTIME, ANYWHERE

**DROP!**

Drop to the ground  
before you are knocked down.

**COVER!**

Take cover under a sturdy  
table or desk.

**HOLD ON!**

Hold on tight and stay in place until  
the shaking stops.

## BEFORE AN EARTHQUAKE

Know your surroundings. Secure heavy items.  
Make a plan and prepare an emergency kit.

## DURING AN EARTHQUAKE

Drop, cover and hold on. Stay away from  
windows and anything that can fall.

## AFTER AN EARTHQUAKE

Check yourself and others for injuries. Expect aftershocks.  
Follow instructions from CSUB staff and emergency responders.

Stay informed and visit the CSUB  
Emergency Services Info Page

## BUILD AN EMERGENCY KIT

Be ready for at least 72 hours.

- ✓ Water (1 gallon per person per day)
- ✓ Non-perishable food
- ✓ Flashlight
- ✓ Battery-powered or hand crank radio
- ✓ Extra Batteries
- ✓ First aid kit
- ✓ Medications (7-day supply)
- ✓ Personal Hygiene Items
- ✓ Important documents (copies)
- ✓ Phone charger/power bank
- ✓ Whistle
- ✓ Cash (small bills)
- ✓ Sturdy shoes and change of clothes

**Customize your kit for your needs!**

**NEED HELP?** Please contact University Police at **661-654-2677** or dial **911** from any campus phone
