

The P2P Supplier Search lets you find suppliers and view the status of their profiles.

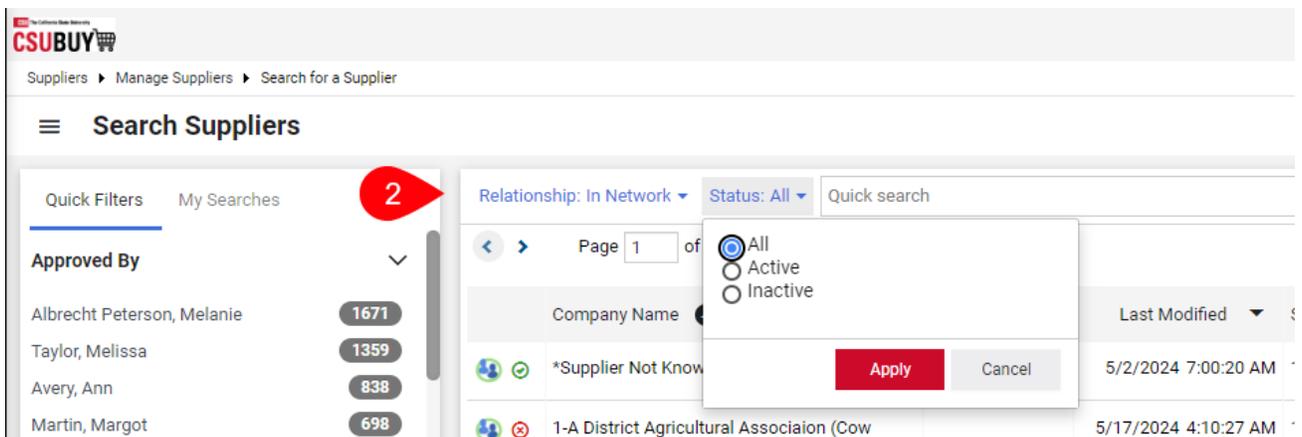

Search for a Supplier

Follow these steps to search for a supplier:

1. From the P2P homepage, navigate to **Suppliers > Search for a Supplier**

2. Set Relationship to **In Network** and Status to **All**

- Type part of the supplier's name into the search bar and click the search icon.
- The icon that displays to the left of the supplier's name in the search results indicates whether or not the profile is active. A green checkmark indicates an active profile. A red X indicates an inactive profile. Active profiles are available for shopping, and inactive profiles are not.
