

### Transportation Committee

The Transportation Committee reviews and recommends proposed changes related to parking, roads, and traffic on campus. The committee is comprised of students, faculty, staff and administrative representatives, with faculty appointed by the Academic Senate, Staff appointed by VP Business and Administrative Services of students appointed by ASI constituting the majority of voting members. Faculty and staff serve a two-year term and students serve a one-year term. The committee meets once or twice per semester. Bylaws were updated and a second faculty member added (see email October 2024).
