

Assembly Bill No. 524
CHAPTER 268

An act to add Chapter 5.2 (commencing with Section 66310) to Part 40 of Division 5 of Title 3 of the Education Code, relating to postsecondary education.

[Approved by Governor September 13, 2022. Filed with Secretary of
State September 13, 2022.]

LEGISLATIVE COUNSEL'S DIGEST

AB 524, Rodriguez. Postsecondary education: Campus-Recognized Sorority and Fraternity Transparency Act.

Existing law establishes the University of California, the California State University, the California Community Colleges, independent institutions of higher education, and private postsecondary educational institutions as the segments of postsecondary education in this state. Existing law requests the Trustees of the California State University, the Regents of the University of California, and the governing board of each community college district to adopt and publish policies on harassment, intimidation, and bullying to be included within the rules and regulations governing student behavior.

This bill would establish the Campus-Recognized Sorority and Fraternity Transparency Act, which would require each institution of higher education to include in the institution's requirements for campus recognition of a campus-recognized sorority or fraternity, as defined, a requirement that the sorority or fraternity submit to the institution on or before July 1, 2023, and annually thereafter, specified information concerning the sorority's or fraternity's members and their conduct. The bill would require the institution to suspend the campus recognition of any campus-recognized sorority or fraternity that does not comply with the reporting requirements. The bill would require each institution with sororities or fraternities to compile and maintain the collected information into a publicly accessible report posted, and archived, on each respective campus' Greek Life internet homepage or its equivalent for a minimum of 10 years and sent through a campuswide email to all enrolled students on or before October 1, 2023, and annually thereafter. To the extent this bill would impose new

duties on community college districts, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.
