

CALIFORNIA STATE UNIVERSITY BAKERSFIELD

TEACHER RESIDENCY CONSORTIUM

TEACH FOR CHANGE

Earn your Teaching Credential in one of Kern County's exceptional Teacher Residency Programs. While in residency, Residents will work alongside a highly-qualified Mentor in the classroom and study throughout the year with a group of peers in University coursework, learning from each other's experiences and becoming skilled and effective teachers. Additionally, Resident Teachers receive financial support in residencies and high levels of support from both University and District partners.
